Seminar on
IS:16700-2017 & its implementation”

Date: 17th November 2018 (Saturday)
Venue: PYC Club, Ground Floor Hall, Bhandarkar Institute Road,
Pune: 411 004
Time: 8.30 am onwards

Organized by:
“Indian Society of Structural Engineers, Pune”
Seminar Theme:

* Analysis & design issue with respect to present architectural practice.
* Addressing issues of structural design and site related problems.
* Software based analysis to meet code requirements & limitations
* Panel discussions.

Methodology:

The Program is planned to enhance the value added knowledge of consultants and construction industry stakeholders, via addressing revised code clauses, its inception criteria and interpretation. The presentations will redefine what BIS expects from designers.

In the open panel discussion, distinguished personalities on Dias will address the expected design practice and guide how to resolve the practical problems.

Certificate:

A certificate of participation will be awarded to each participant by ISSE Pune.
Registration Fee:

(Delegate fee includes registration, High Tea)
The participants are advised to register in advance by remitting the registration fee in cash or cheque in favor of “ISSE Pune” till 14th November 2018. (Limited seats 300 Nos.)
